

August 27, 2009

We are so excited at WDHS about the 2009-2010 school year. The teachers and staff have been busily preparing our facilities, grounds, classrooms and curriculum for your child's return.

Many wonderful changes have taken place over the summer with the addition of the following faculty and administrators: Tiffany Cotton in English Language Arts, Becky Knocke in FCCLA, Robert Underwood principal, and Karl Vaughn WDISD Superintendent. We each look forward to partnering with you in helping your child reach his or her full potential. As state assessments (TAKS) are ever important, we hope to see an increase in your child's performance on TAKS. Our campus focus will be in the area of Math, so please ask your child how you can facilitate their growth in math this year. Speaking of TAKS, our District rating this year is Recognized with the high school receiving a rating of Academically Acceptable. We hope to see the fruit of our dedication result in a campus rating of Recognized next year.

It is such an honor to be a member of this great group of students, teachers, staff and families. Remember, it is our joint effort in supporting your child that will make the 2009-2010 school year a success.

Sincerely,

Robert Underwood
