Guidelines for Tryout Before the Judges

These “Guidelines for Tryout Before the Judges” will be *read and explained to the judges before the contest begins.*

Score contestants in each category from 0 to 5 with 5 being the highest mark.

If a contestant fails to fulfill a category, the score is 0.

Do not show favoritism toward contestants with knee or ankle braces—the contestants have turned in a Doctor’s release, these contestants can perform equally.

If you missed a jump or you feel like you missed something...you may call that contestant back out, after that group, to jump again.

We expect each judge to ask a contestant a question in the interview process. (There should be at least 3 questions asked)

There are 6 positions to fill:

- At the Jr. High level, there will be 2 seventh graders and 2 eighth graders, and 2 at large.

- At the High School Level:
 - If 14 or less candidates are competing for the Varsity squad, 6 will be elected with one mascot. If 15 or ore candidates compete for the Varsity squad, 8 will be elected with one mascot.
 - 1. The highest ranking candidate form each grade level represented will be elected.
 - 2. The remaining highest scores will then determine the candidates to be elected for the overall positions.

(The appropriate personnel will now explain the tryout process, so the judges will know what is to take place, and in order of sequence.)
