Dear White Deer ISD Family,

We are also excited to provide parents a convenient, easy and secure online prepayment service to deposit money into your child's school meal account at any time. This service also provides parents the ability to view your child's account balance through a web site called MyNutrikids.com. By having money in each child's account prior to entering the cafeteria, we find the lunch lines move along much faster so your child has more time to eat and be with friends. *Check and cash prepayments are still accepted; (simply place your child(s) ID number(s) on the check).*

Also, with **MyNutrikids.com**, parents will have the ability to print out a copy of their child's food purchase history report. This history report will show you all dates and times that your child has purchased a breakfast and or lunch within the past thirty days.

These new services will be available **December 8, 2011**.

To access these services:

1. Simply go to the district web site at <http://www.whitedeerisd.net>
2. Click on the Food Services link.
3. Click on the MyNutrikids.com link. From this site you will create your account and add money to your child's school meal account. All you need is your child's name, student ID number and school ZIP code. The instructions listed on the back of this page will guide you through the easy online account set up process.

Things to know:

- If you have more than one child in the District you can handle all online prepayments from the same online account.
- Payments may be made through an existing PayPal account or with a major credit or debit card.
- In order to use the online prepayment service, a small convenience fee for each transaction will be assessed. The convenience fee is \$1.75 per deposit transaction. Parents placing money into multiple meal accounts will only be assessed the \$1.75 fee once per deposit transaction.
WDISD School District does not profit from the use of this site. .

We are very excited to offer these new services, in direct alignment with the District's Strategic Plan/*Safe and Healthy Environments* priority, and are confident this new system will benefit you, your child and our District.

If you have any questions about these new services, please feel free to contact my office at 806-883-2311 ext.205.

Best Regards,

Mary Ann Roland
